9th Annual Hollywood Clean & Sober Bowling Night

The 9th Annual Hollywood Clean & Sober Bowling Night was held in July 2017 at SPAREZ located in Davie, FL.

This event is held yearly so that people in recovery can participate in an activity that does not involve the use of drugs or alcohol. Everyone who came out really enjoyed themselves and had a great evening of bowling, food and fun!!

We hope to see you at our next event!!!!

12 Steps of Recovery

1. We admitted we were powerless over our addiction—that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps we tried to carry this message to addicts, and to practice these principles in all our affairs.
